

AASG Foundation

The AASG Foundation is a 501(c)3 non-profit organization (IRS Tax ID No. 20-8939615), incorporated in the State of Alabama. AASG is also a 501(c)3 non-profit organization (IRS Tax ID No. 43-6058913), incorporated in the State of Delaware.

The purpose of the AASG Foundation is to provide financial support for activities of AASG, including operational, educational, and research activities. The AASG has been effective in promoting geologic mapping, preservation of geoscience information, and many other efforts of broad, national and specific local interest. We ask that you contribute to the AASG Foundation, either to the endowment, the income from which will support AASG's annual needs, or to one of the specific needs during the year (such as support of the Pick and Gavel Award, with which AASG each year honors generally one or two individuals who have contributed to the geosciences through high-profile activities at the national level; support for AASG's annual meeting; or support for printing AASG's forthcoming book on the history of the Association, which will celebrate its 100th anniversary in 2008).

The objectives of AASG are

- * to advance the science and practical application of geology and related earth sciences in the United States and its territories, commonwealths, and possessions;
- * to improve the effectiveness of state geological surveys;
- * to improve methods of assembling and distributing data and information to mining, energy, agriculture, utility, construction, insurance, and banking industries, educational institutions, civic and professional organizations, and the public;
- and
- * to effectively coordinate activities with federal and state agencies working in related fields.

Please make checks payable to "AASG Foundation" and mail them to:

James M. Robertson, AASG Foundation Treasurer and Director and State Geologist
